The Senior Class of

Central Catholic High School

TOLEDO, OHIO

Foreword

ONE score and six years ago, our first bishop, of revered memory, brought forth in this city a new school (Central Catholic High) conceived in Religion and dedicated to the proposition that all Catholic boys and girls should be guided in the ways of Wisdom, Council, Knowledge, Understanding, Fortitude, Piety and Fear of the Lord.

We, the twenty-sixth graduating class of this project, met and drew up a document which will show by its write-ups and pictures of the school, the faculty, the activities and organizations, and the boys and girls, that this first Catholic coed high school was not begun in vain.

The first peace time annual in four years, we dedicate to the boys and girls of Central who gave their lives that this school might live. But . . .

Dedication

. . . in a true sense we cannot dedicate this book to them. These brave Centralites who died that Central might live have consecrated it far above our power. They fulfilled the principles of C. C. H. S., which we today are imbibing. It is rather for us, the graduating class of 1946, to consecrate ourselves to the task of seeing that "a just and lasting peace," the cause for which they died and which they so far nobly advanced shall not perish from the earth. So we resolve . .

. . . That These

Might Live

THE MOST REVEREND KARL J. ALTER, D.D., LL.D.
Bishop of Toledo

The MOST REVEREND KARL J. ALTER, D.D., LL.D.

We perceive in our Most Reverend Bishop a zealous promoter of Catholic education. Today, when pseudo education is rampant, the bishop's deep concern in the education of the Catholic youth of the city, led him to inaugurate a drive to benefit them.

Plans for the addition of a New Wing to Central Catholic High have been made possible by his efforts. Truly he has shown his keen interest in the welfare of the students of Central and Toledo.

THE REVEREND
JOHN L. HARRING-
TON, A.M., S.T.B.
Principal

In order to operate smoothly and successfully, a school like Central must be controlled by a patient and capable administrator. Such a position has been competently fulfilled by the Rev. J. L. Harrington who daily guides our spiritual and physical well being. A good priest, a true friend, a spiritual father, a scholastic guide are the attributes which characterize our principal and endear him to us.

Rev. J. D. Shenk

THE REVEREND J. D. SHENK, A.M., B.S.E.

Assistant Principal

In his work as assistant principal, Father Shenk performs many tasks. He guides the Student Council, teaches Religion and aeronautics, and supervises the disciplinarian program of the school. His kind and sympathetic understanding in his dealings with the students has won for him their sincere respect.

Knowledge

. . . we will use the Knowledge acquired within the walls of C. C. H. S. to draw us and our fellow men closer to The Source of these gifts. Furthermore . .

Understanding

. . . we will endeavor to create within the hearts and minds of the underclassmen a deep yearning to imbibe true Understanding of the truths of God. So that . . .

Education of the intellect is not always education of the will.

Hence it is that the religious program at Central is so essential. Here the student not only studies his religion but he also lives it. The Christian principles instilled, in conjunction with the liberal education received, are planned to form the "whole man" and to contribute to society a useful member.

English

The department of English is an important factor in the education of the students of Central. Its four-year course aims to teach the student to speak correctly, to write thoughts accurately, to develop an appreciation for good literature and to be able to speak with confidence before an audience.

In Spain they say it this way . . .

Spanish

Spain, the land of the troubadours, intrigues the Spanish students. For most people, Spain is a country of "old world" enchantment, romance, quaint costumes and equally quaint costumes.

But to the student of Spanish, it is the language, the music, the games, the people and above all, the Catholic culture of these people which spread its influ-

German

The student who chooses to study German will have an enjoyable and interesting time ahead. The pupils not only learn to read, write and speak German, but they also study her natural resources, industries, historical places and her entertainment. The dress, customs, famous composers, writers, musicians, scientists and their rivers and cities are also studied. Folk tunes and many popular German songs are taught to the students to make the study of German pleasant as well as helpful and interesting.

Nothing dead about this

Latin

Whether or not a student's interests are commercial or professional, he will find Latin a practical and cultural course. This subject is important in the future careers of doctors, nurses, lawyers, teachers and to all who wish a broad cultural background.

Courses in vocabulary building, sentence structure, Caesar's Gallic Wars, Cicero's orations and Virgil's Aenid are offered to the students who choose Latin as an elective.

Greek

Greek, one of the oldest spoken languages, was added to the classical department to provide a broader foundation for proficiency in English and the Romance language.

Its alphabet, derived from the Phoenicians, its history, and a detailed course in its grammar formed the basis of the first year course at Central.

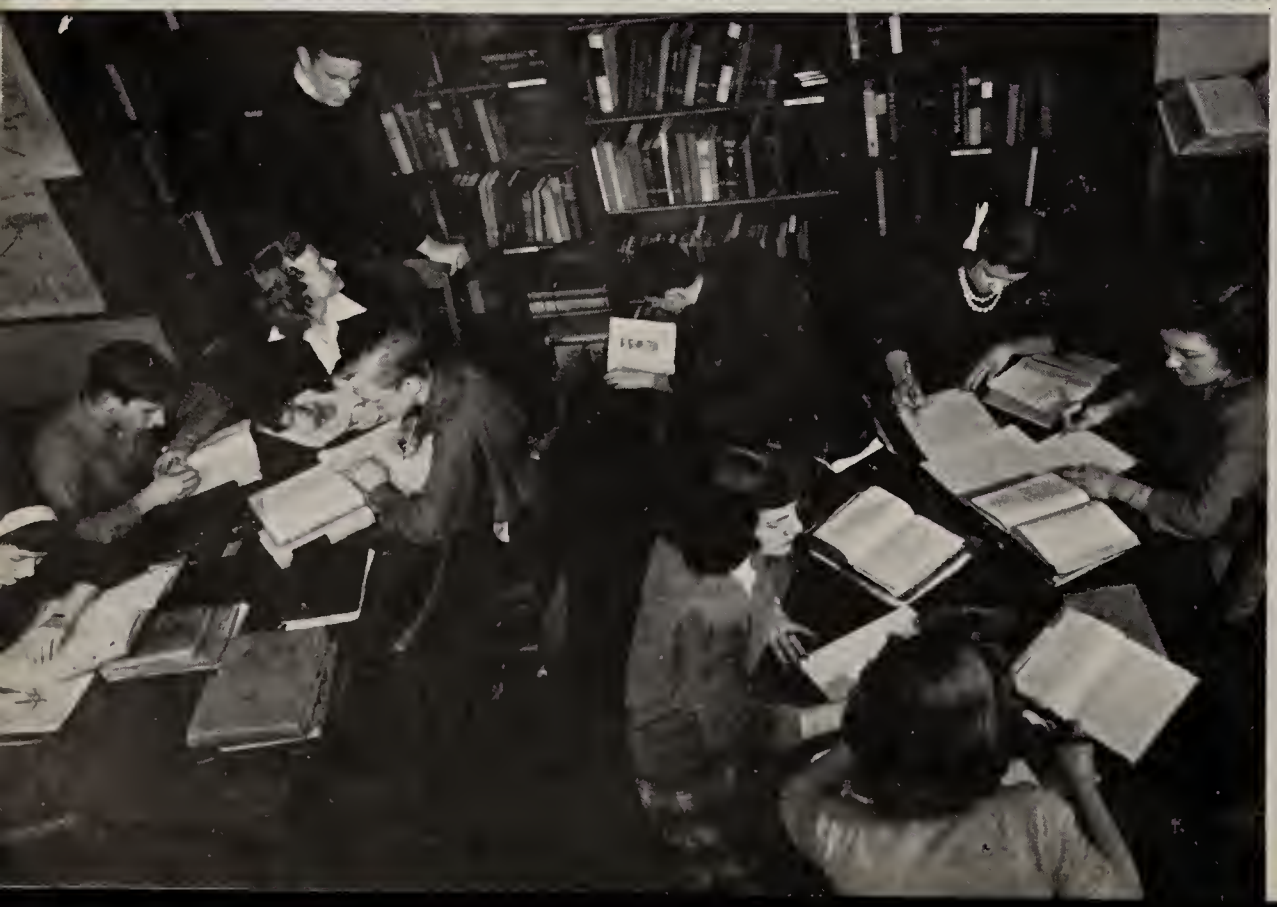
Evidently Essay Days are here!!



The Library

During the year the library is the source from which the student body draws help for school assignments, for research and also for leisure enjoyment. The seniors, who are constantly doing research, find it an indispensible thesarus. When the long formal essay is assigned, the juniors realize its resourcefulness.

For the sophomores it is a help in obtaining books for class book reviews. After a few lessons in library science the freshmen realize the advantages of a school library.

Sister M. Anthony, O. S. U., Sister Mary David, O. S. U., and Sister M. Fabian, O. S. U., guide and supervise the knowledge seekers.

Library Club

The Library Club, under the name "Lit-O-Lites", was first organized in 1933. Members of the club are the girls who assist Sister M. Anthony in the work of circulation and in keeping the library in good order.

The staff inaugurated Catholic Book Week in the month of November. Special exhibits to instill further interest in Catholic authors and their literature were on display in the school lobby.

Boys' Art Department

The Boys' Art Department, under the capable direction of Sister Mary Genevieve, R.S.M., throughout a four year period offers a complete course in theory of color, design, commercial art and lettering.

The fine art's course includes water color, pastel, charcoal and oil-painting, while the crafts are comprised of clay modeling, wood carving and leather craft. The latest edition to this department is weaving.

There is a course offered in photography in which composition, developing, printing, enlarging and mechanism of a camera are explained.

Girls' Art Department

"Art," as Webster defines it, is "the power or quality of transcribing the beautiful or aesthetical in nature." But art is more than that; it is the appreciation of this beauty in nature.

In the girls' art classes this appreciation is stressed by Sr. M. Hilda, S.N.D. Student work in poster sketching, clay modeling, dress design, oil painting, etching, lettering, color theory and liturgical design on display in the art room show a well learned lesson.

The stage setting used in "Brewster's Millions" and "Naughty Marietta" was painted by girls in this class.

tory from Columbus to the present time, with stress on European history. American history is explained in its title.

The subject of economics is mainly concerned with conditions and processes involved in making a living and production of commodities. Sociology is the study of man's relations with his fellowman. In addition to these, national problems explains how governments operate, methods and forms of government and how they are called into existance.

An outstanding section of the Music Department is the Glee Club, composed of seventy-eight members and having as its aim the development of the singing voice and of music appreciation.

During the year the group sang before the student body at several assemblies, caroled for the various hospitals and convents at Christmas time, and participated in the School's Christmas Program.

Under the guidance of Mr. Joseph Sainton, director, and Sister M. Cecelia, O.S.F., assistant director, the Glee Club climaxed its work of the year with a splendid presentation of Victor Herbert's "Naughty Marietta."

Mathematics

"Every major concern among the intellectual concerns of man is a concern of mathematics." Whether the students of Central appreciate fully the role of mathematics in life or not, they seem to realize that it is a subject worth taking. 65% of the students this year enrolled in mathematics classes. The freshmen led with 694, the sophomores had 393, while the juniors and seniors had 190 and 83, respectively.

Physics

To become acquainted with the underlying principles of that branch of science dealing with energy and its various forms in relation to matter, many students each year find themselves under the guiding hand of Mr. V. C. Fischer.

This year, the unusually large number of aspirants in this field necessitated the division of the classes into two sections, one still under Mr. Fischer, and the other supervised by a newcomer to Central's faculty, Father A. Flynn, O.S.F.S.

Biology

In this field of learning the students study plants, animals and human life through their various stages of development. Through diagrams, charts, posters, club meetings, field trips, laboratory experiments and home projects further biological knowledge is imparted.

This study aims to inculcate the minds of the students the Christian principles of a scientific, cultural and practical analysis of life.

Aeronautics

Through the efforts of Father Shenk, aeronautics has completed a four year run at Central. This subject provides the equivalent of a pre-flight course and is recognized as such by the Civil Air Commission.

To understand various parts of an airplane and the forces acting upon it, the students learn how to handle aeronautical charts, calculate wind draft and forecast weather. Meteorology gives a firm foundation for navigation.

Although a fairly new member to the regular curriculum, aeronautics is enjoying a rapid growth in enrollment.

Typing becomes a beneficial skill only after proper instructions and practice governed by helpful guidance. In this subject, Central has been gifted with many competent teachers.

Commercial geography is the study of geographical effects on commerce. Bookkeeping acquaints the student with ledgers, files and business forms. Office practice provides training in the use of modern office equipment.

During their three years at Central the juniors have shown real school spirit. As the 1945-46 school year draws to a close they may look back with pride and satisfaction for duty well done. The Junior Essay, the Junior Centric, the Junior-Senior Prom established their prominence in the field of literary, journalistic, and social viewpoint. Members of this class on the athletic teams brought glory to the class. All in all the whole class proved itself to be composed of real workers ready to help at all times.

CLASS OFFICERS

President .....William Gleespen
Vice-President.....Joanne Dugan
Secretary .....Gerald McCloskey
Treasurer .....Mary Jo Hermann

Approximately 648 lively freshmen became part of Central's family September 4. This group showed intelligence and wisdom in choosing Class Officers. Much of the success of this class was due to the leadership of these officers.

They fulfilled their duties as students of Central by keeping up their school work and by cooperating in all school activities.

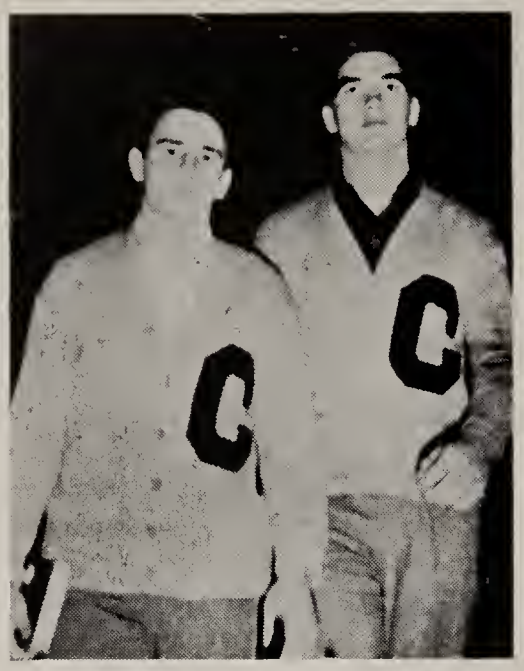
VARSITY FOOTBALL

The "Fighting Irish", in football gear, again showed the traditional "plow 'em under" spirit, coming through highly satisfactorily in the eyes of their loyal boosters. In losing to Waite's powerhouse eleven twice, and to Libbey once, their real spirit was summed up very neatly in the hard fought final victory over Libbey. In this game, sixteen seniors boys bowed out of the Irish football picture.

Coach McGarry

MR. JOHN McGARRY

Mr. John McGarry, from South Catholic High School, Philadelphia, took over the position of Athletic Director and head football coach. Mr. McGarry came to Toledo with a reputation of turning out good teams, and this year's football team at Central was no exception. Not knowing the ability of the respective players, Mr. McGarry succeeded in turning out a well rounded, finely developed team, which finished in second place, winning six games and losing three.



J. Molnar—J. Warrick

CO-CAPTAINS, JAMES WARRICK AND JOSEPH MOLNAR

At the finish of their Junior year, Jim Warrick and Joe Molnar were chosen to lead the team through this season. Jim has played three years of fighting, scrapping varsity football, and has proved his ability to do all a good tackle should do and more. Joe in his last two years as half back, showed his heels to scores of rival gridders. His heady playing has time and again put that added zip in the team's spirit. More power to you in the future, fellows!

DON MARTIN—Most Valuable Player

Most valuable player on the football team this year was Don Martin, senior from St. Thomas parish. Although he held down regular guard position he showed great versatility by taking over end, also. He vindicated his teammates' judgment by playing hard, tough football every minute he was in the game.

LIGHTWEIGHT TEAM

Under the direction of Al "Irish" McCarthy the lightweight football team took third place in the Lightweight league, winning three games and losing two. The main work of the lightweight team is to build for the next year. They have spent many a night scrimmaging the varsity for this purpose.

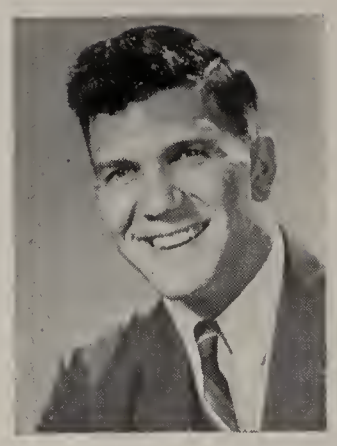
AL "IRISH" McCARTHY

Once again "Irish" helped coach the lightweight football team. Last year he developed some good players for our varsity team. This year's team shows good material in the making. Like many others of our coaches "Irish" is a former Central player who decided to come back to coach his alma mater's teams.

Mr. Al. McCarthy

HAROLD MOUCH

The past year was Mr. Mouch's second year of coaching at Central. Once again Harold handled the Varsity basketball team, leading it to a tie for fourth place. However, many games were lost by one or two points, and could have gone either way. The team's record was 14 wins against 11 losses. Harold coached the Freshman football team which we hope will produce many good Central players in the future. Coach Mouch handled the baseball nine for the second year.



Mr. Harold Mouch

FRESHMAN TEAM

Although there was no league for the Freshmen football team to participate in, a team coached by Harold Mouch practiced after school to find talent for coming years. Much is due to these fellows who worked so hard, for no immediate gain.

TOURNAMENT AT

1946 Basketball

(24) Jack Murnen
"Sparkie"
Senior Forward

Jack's ability to score points and keep the game moving fast made him a spark plug on this year's team. Jack played his last game for the Fighting Irish this year but he will always be remembered.

(29) Richard Murnen
"Dick"
Junior Forward

Another Murnen, like his two brothers, is a fast and clever ball player. His power to fake will be of great assistance to the team next year. This was Dick's second year as a varsity man.

(23) George Smith
"Smitty"
Junior Forward

Coming up from the Lightweights, Smitty was high point man and proved his "eagle eye" on his pot shots from the center of the floor. As one of the five returning varsity men he will be a great asset to next year's team.

(26) Al Reinier
"Al"
Junior Guard

Al's second year on the team was of great service to our hard fighting team. Next year we are looking forward to his return with his shots from the side of the floor.

(28) Jack O'Connell
"O'C"
Senior Guard

Jack's experience on the C. Y. O. league, and his firm desire to play, secured him a position on the team. He is very quiet until he hits the floor, then he really is heard. "Good Luck, Jack."

FIELD HOUSE

Team

(27) Arthur Bok
"Art"
Senior Guard

Art's continued "up and at 'em" playing will be missed for many years to come. His foremost ability, keeping cool, proved a great asset to the team.

(36) Paul Serke
"Fuzzy"
Junior Guard

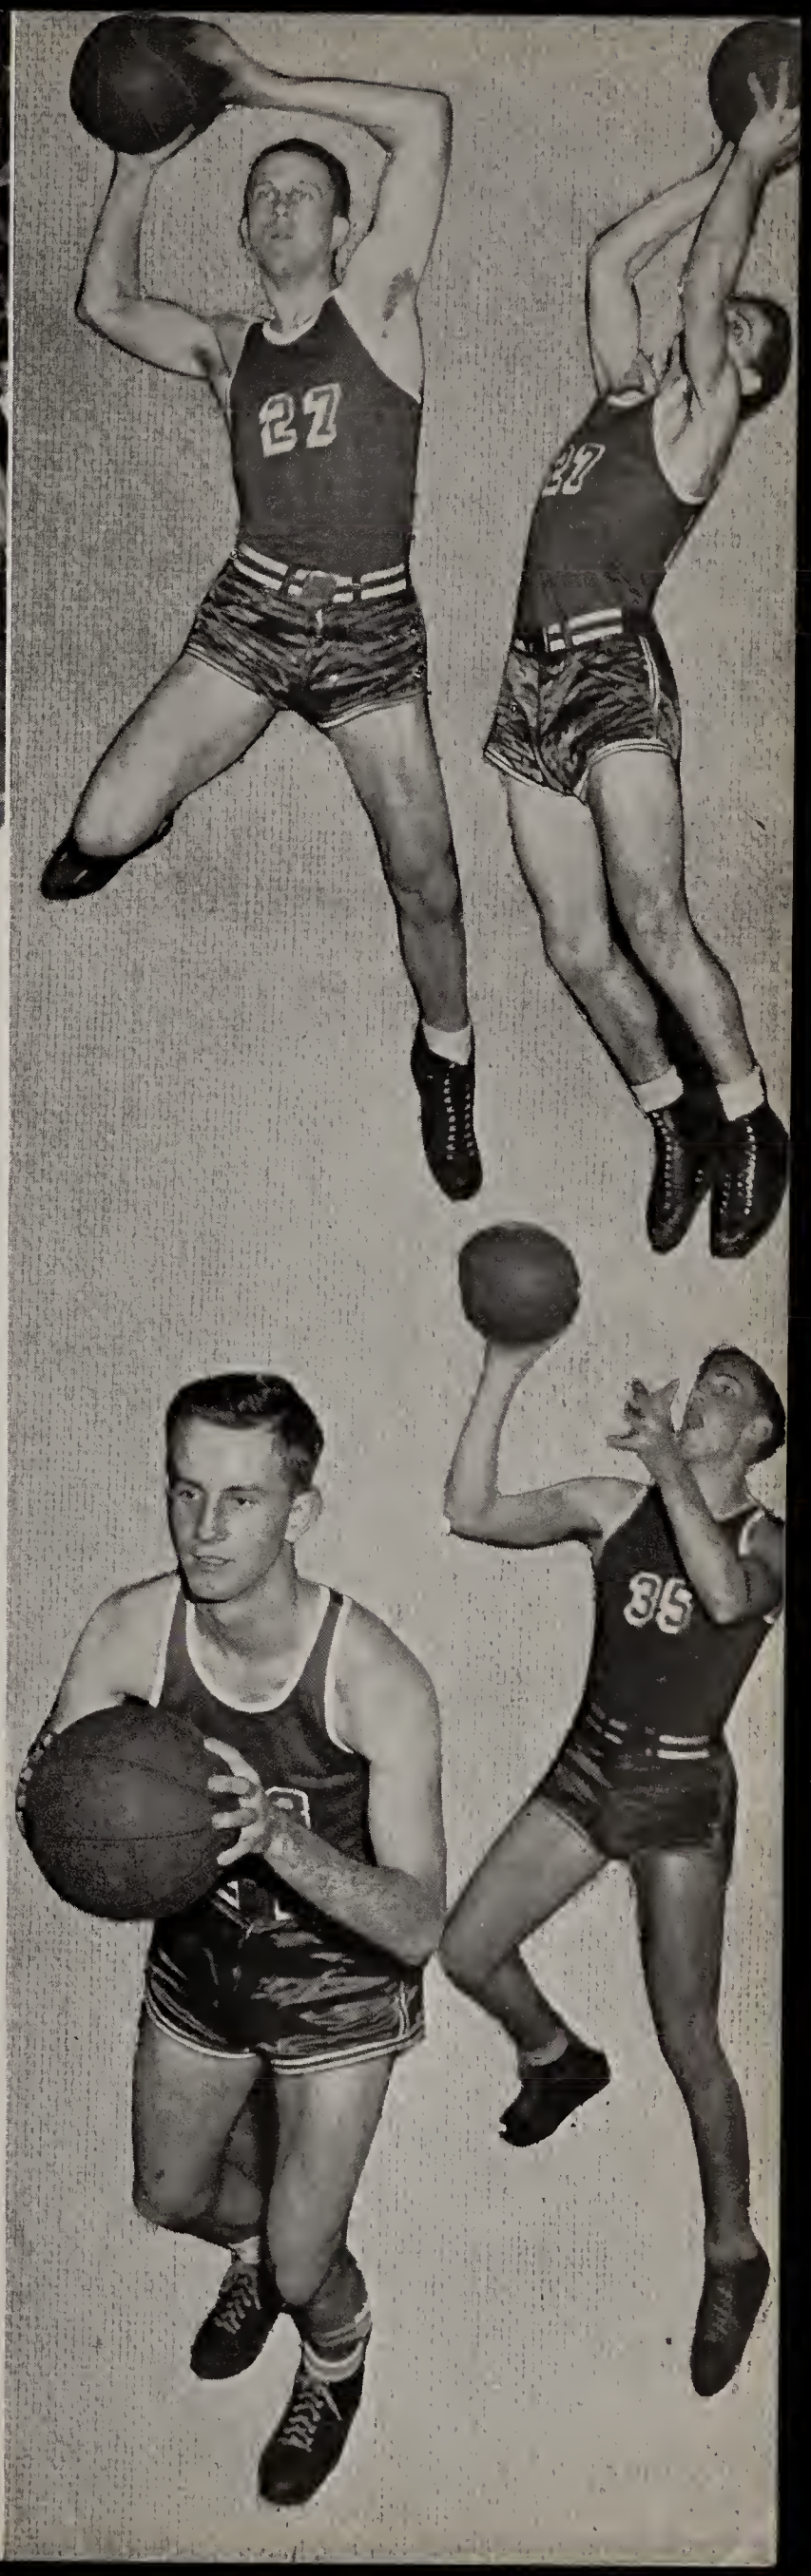
His second year on the varsity proved him more capable than the first. Under the bucket he can be counted on to help the team out of tough spots. "See you next year, Paul."

(35) Dale Babione
"Big Dale"
Senior Center

Dale, playing his second year of varsity basketball proved, by his ability to command the backboard on both defense and offense, to be one of the main factors in Central's "flashy" brand of basketball.

(33) Wade Beucler
"Swish"
Junior Forward

Next year Central can expect things to "pop" with Wade, a quick witted, hard fighting player. He's one of the five juniors returning to take a shot at the city League Championship.



REV. GEORGE SHUGRUE

The lightweight basketball team coached by the Reverend George Shugrue concluded another fine season, with a record of twelve wins and seven losses. Father Shugrue in his three years as a coach has turned out some very praiseworthy teams, both in football and basketball. We have cause to expect great results from a team coached by him.

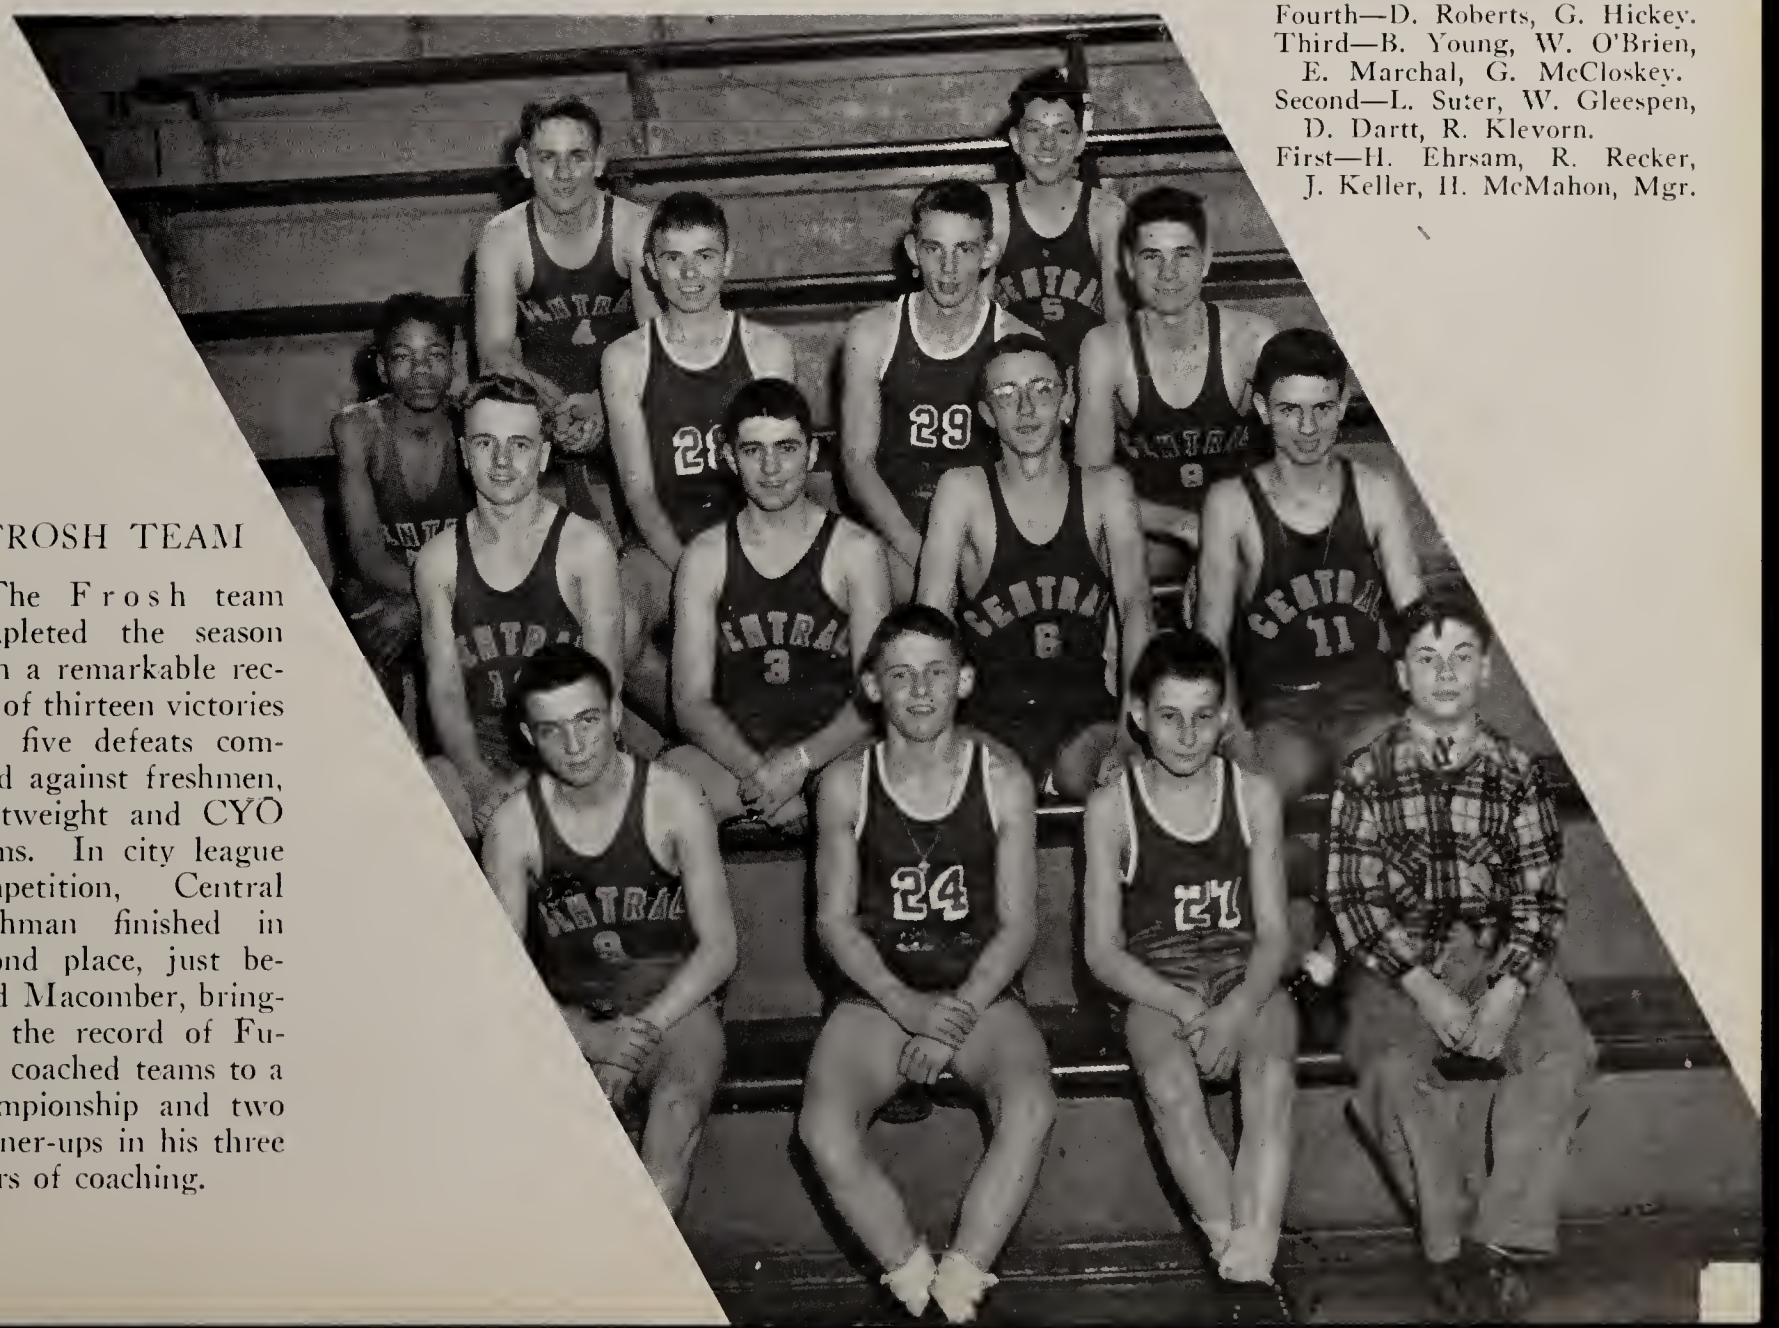
REV. JOHN FUQUA

Rev. John Fuqua has produced another outstanding freshman basketball team. The frosh, under Father's commendable leadership, showed promising qualities this year for future years. Father, last year, coached the lightweight team to a first place tie in the city league. Some of these fellows of last year were on this year's Varsity squad and proved Father's capable leadership.

Top—R. Sullivan, W. Voorhees, R. Sullivan.
Middle—W. Lawson, P. Grote, J. Gilmore.
Bottom—A. Graybark, J. Williams, T. Kuebler.

LIGHTWEIGHT

Under the capable guidance of the Rev. George Shugrue, O. S. F. S., the Lightweight team concluded another fine season with a record of twelve wins and seven losses. Several of these setbacks were two and three point reversals. These juvenile meshers, in the city league, have won five and dropped seven contests, tying Devilbiss for third spot.



Fourth—D. Roberts, G. Hickey.
Third—B. Young, W. O'Brien, E. Marchal, G. McCloskey.
Second—L. Suter, W. Gleespen, D. Dartt, R. Klevorn.
First—H. Ehrsam, R. Recker, J. Keller, H. McMahon, Mgr.

FROSH TEAM

The Frosh team completed the season with a remarkable record of thirteen victories and five defeats compiled against freshmen, lightweight and CYO teams. In city league competition, Central freshman finished in second place, just behind Macomber, bringing the record of Fuqua coached teams to a championship and two runner-ups in his three years of coaching.

Top—J. Cassidy, W. Reinbolt, R. Haynes, R. Scott, W. Manthey, D. Bach, F. Baumgardner, T. Powers, Fr. Stahl.
Bottom—E. Jurkiewicz, R. Heuring, J. Coulturi, R. Wieher, R. Katafiasz, T. Bishop, D. Hanenkrath.

Cross Country Team

MR. BONDY—Back in 1943 Mr. Lawrence Bondy came to Central to coach the lightweight and freshman football teams. This former Central and De Sales football star turned out a City League Championship squad. This year Larry, returning from his country's service, took over the position of coach of the track team. The boys under Mr. Bondy are planning for another City Championship—this time in track.

FATHER STAHL—In the past three years of coaching Central's golf teams, Rev. W. A. Stahl has produced some of the school's most successful teams. This year was no exception. He has also coached Central's first cross country team. "Good luck, and keep 'em swinging and running" from the sports staff, Father.

Track Team

BASEBALL

Once again the baseball season rolled around, and this year the "Fighting Irish" found themselves with a schedule including all six of the city's high schools and a few out-of-town foes. Coached by Harold Mouch, the team showed the slugging spirit evident in all the past Central baseball teams.

Bottom—J. Dubielak, W. Venia, J. Murnen, G. Pinciotti, D. Murnen, R. Brannan, J. Gilmore, R. Warren, R. Koogan, Mgr.

AMERICAN LEAGUE BOWLING

Central's American league team finished a fine season in this year's bowling competition. Bob Warren, Harry Fitts, Eugene Hankenhof, Chuck Bialorucki, captained by Dick Zakrewski, added another trophy to the case in the Lobby, by taking the title in the city tournament.

NATIONAL LEAGUE BOWLING

In the National league the boys got a slow start and found the season tough going. Led by Captain Dick Kurchewski, the fellows showed that never say die spirit of true Centralites. Members of this team are Dan Holowinski, Claud Beck, Joe Beakas, Tom Kucharski, Jerry Dutkiewicz.

The bowlers of both leagues, under the able leadership of Rev. A. T. Schmit, concluded a commendable season.

GOLF

The Golf team, coached by Father Stahl and captained by Dale Harms and Dick Holmes played the other high school golfers on the Ottawa Park course. Stiff competition for anybody on any course, the boys held their own in the art of swinging the club in the city league.

CHEER LEADERS

"The power behind the throne", the cheerleaders, who direct the school spirit of the fans and students, Ann Schomer, Jo Anne Goebel, Rosemary Nowaskowski, Joanne Moore, James Bauer, John Schovar, Andrew Carr and Louis Zavac, receive little credit for their faithful service at every football and basketball game. They have been expert leaders in the climatic part of each game.

MANAGERS

S. Fejes W. Thornton J. Reifsnyder Coach Mouch

Here we have the unsung heroes of Central's athletic teams. These boys are responsible for the care of the needs of the team and the physical fitness of the athletes. They spend many long hours working in conjunction with the team and are that perfect example of "cooperation" for which every coach strives. The managers are seldom noticed by anyone, not even the players, but if they should suddenly disappear, the first to notice their absence would be the team and the coaching staff.

GIRLS' ATHLETIC LEAGUE

Under the supervision of Miss Margaret Paszeko girls' athletic director, and the leadership of its officers, JoAnne Goebel, Patricia McDaniel, Patricia Schreiner and Kathryn Grote the Athletic League finished its seventeenth active year.

Besides the regular program of basketball, volleyball, softball, archery, ping-pong, shuffleboard, duck pins, darts, and dancing, a course in personal health and grooming was also given.

Basketball Tournament

In the fall of the year classes were held out of doors; in spring softball and archery are taught in the open. During the winter months inter-mural basketball games between conference rooms are played.

The Bowling League, composed of twenty teams, met every week at the Auditorium bowling alleys.

As in previous years letters and chevrans were awarded, at the end of the school year, to the girls meriting the highest number of points.

PIETY AND FEAR OF THE LORD

. . . that the spiritual activities (Piety) and the student council (Fear of the Lord) which fostered active participation in the service of God and our fellowmen may enable us to live as Messengers of a true and lasting Peace.

SANCTUARY IN CENTRAL'S CHAPEL

ST. HILDA GUILD

Closely allied to the St. John Berchmans Society is the St. Hilda Guild. The girls who form this section of the Council take upon themselves the care of the Sanctuary. Everything is placed in readiness for Mass or Benediction by them. Their work is supervised by Sr. M. Hilda, S.N.D.

EUCHARISTIC OUR LADY COMMITTEE

The purpose of this commitee is to develop loyalty and devotion to our Divine Savior and to His Blessed Mother. This is the very heart of Catholic Action—"Participation by the layity in the apostolate of the hierarchy." One representative from every class comprises the staff. This gives unity and representation to every conference room.

THE YOUNG CHRISTIAN STUDENT

This part of the S. S. C., formerly called the Cells, aims first at the spiritual refinement of the individual — then it widens its scope and becomes social in its endeavor. It is accomplishing, in a quiet way, a very worth while project.

ST. JOHN BERCHMANS SOCIETY

This society, which was organized on its patronal feast day, November 26, 1936, was founded to promote religious vocations from this group as well as to give the boys the privilege of serving on various occasions throughout the year in the school chapel. This year the society enrolled 178 members.

APOSTOLIC COMMITTEE

The Apostolic Committee may well be called the "Mission Society of C. C. H. S. Under the direction of Sister M. Jeanne, this group has endeavored to instill in the student body a sense of responsibility towards our neighbor. By sponsoring the sale of Christmas cards and seals, the ransom of pagan babies and the Lenten Sacrifice Drive, this division of the Student spiritual Council has ardently promoted a noble cause.

LITERATURE COMMITTEE

To interest students in good reading, i. e., Catholic Literature is the function of this section. This purpose gains in prominence due to the great amount of writing that is done today. Direction and constructive criticism is one of the main purposes of this committee. The aim is to spread the reign of Christ in the Kingdom of Christ through Catholic Literature.

Student Council

1. Junior Class representatives plan Color Day.
2. J. Murnen, A. Bok, Father Shenk, Moderator; C. Her mann, M. Longmore, Student Council Officers.
3. Members preparing material for Chronicle Drive.
4. Copy readers checking proof of Student handbook.
5. Representatives arranging for the Freshman Dance.

The Student Council, under the supervision of Rev. J. D. Shenk, has as its main purpose the promotion of a unified school spirit by means of student participation in and direction of various school activities, management of the Parent-Teacher meetings and the maintenance of the Hall Patrols.

Scenes From Brewster's Millions

1. Stage crew receiving directions from Mr. Klein, Dramatic director.
2. Brewster stakes his last cent at Monte Cassino.

LET'S MAKE IT A PARTY !

Whether it's a basket picnic, a trip to an athletic event, a sight-seeing tour, or a more formal occasion, when you charter a bus you permit everyone to enjoy the trip from the time you leave until you are all safely home.

Expensive? No, indeed. On the contrary you will find that compared with other forms of travel, chartered service is very reasonable.

DAYLIGHT ENGINEERING

In Modern Schools

In schools, as in your own home, the principles of Daylight Engineering are important. Cheerful, natural light reduces eyestrain . . . makes teaching and learning easier. Libbey-Owens-Ford Thermopane*, the transparent insulating glass, permits large areas of glass without excessive loss of heat.

Other L-O-F products are serving in a variety of ways to make schools more efficient educational centers. Glass adds new life and sparkle, cleanliness and beauty to make your school days "brighter days."
